

How to make Crane

When folding, check the folding diagram carefully and pay attention to the front and back of the paper as well as its top and bottom orientation.

Valley fold
(Tani-ori)

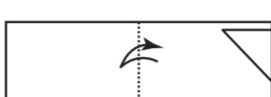

Mountain fold
(Yama-ori)

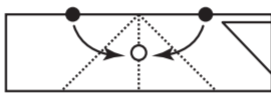

1. Start with the front side facing up.

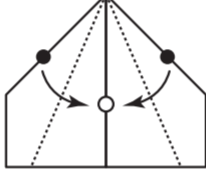

2. Make a valley fold in half and crease.

3. Fold edge ● to align with center ○, using a valley fold.

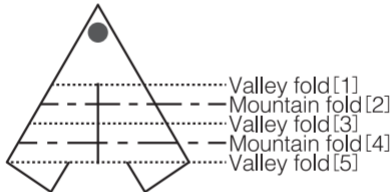

4. Fold edge ● to align with center ○, using a valley fold.

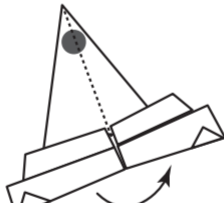

5. Turn it over.

6. Repeat valley and mountain folds evenly on both sides up to the tip.

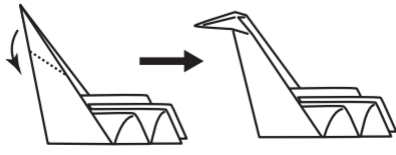

7. Make a valley fold in half.

8. Make a crease at the position shown and unfold.

9. While opening step 7, fold the tip over like a cover.

10. Finished!
