TEPRA
Lite

Decorate your life!

TEPRA Lite LR20E
Label Printer

Make your days more pleasant with TEPRA Lite.

Just by decorating bottles in the kitchen, bathroom or planner with our tapes, daily life will become more colorful and happier. Share this positive feeling with your family and friends and make your time more enjoyable.

Let's decorate your life with TEPRA Lite!

What is it?

It is a palm-sized label printer.
It is user-friendly and can be used
whenever and wherever.

*The size fits
on your palm!*

TEPRA Lite is a thermal printing label printer. Only specific tapes can be used in TEPRA Lite (TEPRA Lite tape/coharu tape/coharu Film tape).

The appearance of TEPRA Lite is cute

and it can be considered as an interior decoration.

TEPRA Lite is handy and easy to use.

Enjoy label making anytime anywhere.

Please use the special tape indoors for thermal printing. Each special tape has different features. Please use it in the place suitable for the feature.

Extremely easy to use!

Follow only 3 steps to make your labels.

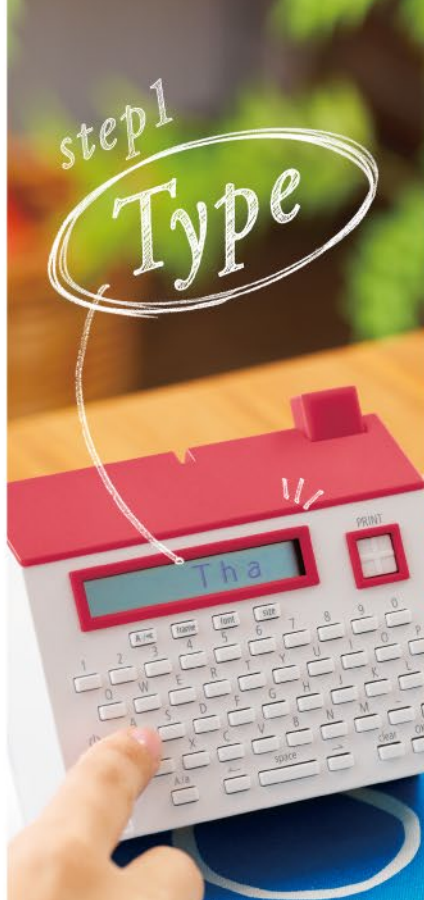

How to use

1. Select a font or a frame and type a message.
2. Press the small window-shaped button to print.
3. Push the chimney-like button to cut the tape.

Simply select orientation, decorative frames, fonts and text sizes with these buttons.

For details, please check the User's Manual.

You can do the followings with TEPRALite.

Labelling ingredients, making albums, DIY!

Label items in the kitchen and get things organized with TEPRALite.

By using coharu Film Tape, you don't have to worry about water splash in the kitchen.

In the Kitchen

For Gifts

In the Bathroom

For Note books

Add some messages on homemade sweets and DIY goods to share your feelings with others.
